Sr No.	Q11. Based on the above list of amenities, what do you think the City's top three priorities should be when it comes to the Ortonville Park System?		
	Q11(a).	Q11(b).	Q11(c).
1	Dog Park	Tennis Courts	Disc Golf
2	Maintaining current parks	New pool to rival neighboring communities	Dog park
3	Taking care is what we already have	Adding features to parks to increase usage	
4	Repair what we already have	Sr. Center should be located on flat ground for better access	we have 3 unique WPA parks, lets keep them by repairing them

<b>5</b>	Maintain and clean up what we have	Expand in the areas of priority and need of community	Set up long term goals
<b>6</b>	Rental	Swimming Pool	Cultural center
<b>7</b>	playground	pool	walking trails
<b>8</b>	Community center with indoor basketball courts, and waterpark	Golf Course	Soccer Fields
<b>9</b>	New swimming pool/water park	Tennis courts	Softball fields
<b>10</b>	water park	playgrounds	teen center
<b>11</b>	Put garbage cans in all the parks!!!! Nielson has none, pool park has none, pier has none.	Maintain the parks we have better. (Pull weeds from playground area, maintain trails at Nielson)	Update swimming pool. Put in a splash pad.
<b>12</b>	Bike trails, adding more, and linking to other areas. Play on the beauty of the town.	Swimming Pool Updates,	Dog Park
<b>13</b>	Bike/walking Trails (Interlinking established parks)	Swimming pool/water park/teen center ( entertainment,revenue, area attaction)	Garden center
<b>14</b>			

15	Bike paths throughout the city that join up with the existing bike path	maintaining nice basketball courts with benches	an outstanding senior center, with the best of the best to offer
16	Improve/expand the swimming pool like surrounding communities have!	Improve tennis courts	Improve playground equipment for school age children at Lakeside park
17	Some thing to do for my grandkids to do when they come from the citted		
18	Playground	Walking trail/bikong	Arts activities
19	Basketball courts	Senior Center	Tennis courts
20	Play grounds	Pool	Athletic fields
21			
22	central park walking and bike trail		
23	Dog park	Disk golf	Water park
24	Pool	Existing parks	Golf course
25	Tennis courts	Dog park	Garden
26	Walk paths	Bike paths	Dog park
27	We truly have wonderful parks, I really feel they could just upgrade and maintain the current parks		
28	Water park	Walking trails	Bike trails

<b>29</b>	Dog park	tennis courts	More bike trails
<b>30</b>	water park	walking trails	pools
<b>31</b>	A new pool/water park	Keep the parks up! Park by the pool, top of slide broke, dangerous! Neilson, paths need cleaning!	
<b>32</b>			
<b>33</b>	Pool upgrade	Pool park	
<b>34</b>			
<b>35</b>	Senior walking places	Parks for visitors to showcase the beauty of the town	Trails that run thru out the city - wheelchair friendly with art installations along the way to view
<b>36</b>	Playground	Swimming pool	Update current playgrounds
<b>37</b>	Keeping it clean	Keeping it nice looking for people	Easy access
<b>38</b>	More recreational opportunities; ways to get active.	City (Central) Park is being wasted by its disrepair.	
<b>39</b>	move the lakeside park equipment to the school so all kids can play and be happy at one place	sculpture and flower garden at kaye lot with art in adjacent vacant building	dont wast time on pier art gallery... use curt johnson's old building. he will give it away

40	water park	picnic shelters	walling trails
41	Lakeside	Pier and beach	Foot of the lake - this should look good to impress people driving through
42	BMX bike racing track	Walking trails would be great so people don't have to walk on road.	Look at eliminating some parks that have little usage
43	Dog-friendly park (with off-leash area)	Walking/biking path all the way to the refuge	Environmental/cultural/artistic center
44	Community interaction	Family growth	Youth activities
45	community garden	playgrounds	arts
46	Bike/Walk Trail	Senior Center	Golf/Softball
47	Bike/walking trails	canoe/kayak rental	disc golf or archery
48	Plenty of playgrounds for young children along with basketball courts. Focus on attracting adults.	Canoe/kayak rentals; concessions at Lakeside esp on weekends; adult exercise park	Start attracting adults (22-60) to the area by building up park amenities geared to them
49			
50	Improve existing parks	Maximize community access to the lake	Improve walkability

51	maintenance	improve trails between parks	events to promote city parks
52	Golf Course - even though not on list	Senior Center	Swimming Pool
53	Disc Golf	Canoe & Kayak Rental	More Picnic Shelters
54	Maintain existing		
55	Golf Course	Bike Trails	Swimming Pool
56	Swimming Pool	Senior Center	Play Grounds and Walking & Bike Trails (exercise for all age groups)
57	swiming pool	swiming pool	swiming pool
58	activities that people can do their entire life =top priority	parks should be easy to find & accesable	well kept & clean
59	Mowing the entire golf course	better equipment for small children in playgrounds	better amentities for using the lakeshore for swimming and fishing
60	Walking/running trails	Water park	playgrounds
61	Acomodating fishing access for all people	Bike and walking trails	golf
62			
63	Golf coarse	Swimming pool	playgrounds
64			
65	dog park	walking trail	bike trail

66	Pool	Lakeside Park	Playground equipment
67	An improved biking/walking trail	Improved pool/waterpark. Location with parking lakeside/foot of lake	improved summer arts program
68	Improving and maintaining the golf course	Improving and maintaining the pool	Maintaining the existing parks
69	Convert old hwy 12 strege property to campground with full hookup	This is a tremendous area for birdwatching we have not highlighted it at all. + birdwatchers have \$	have community bonfire in central park during summer. with ribfest from hartman's SV
70	Updating the pool	Adding an archery place	Adding a community garden
71			
72	Expand areas where people can camp to allow more people to enjoy the area in the summer.	Getting rid of underused parks to allow the parks that are being used to be maintained properly	Keep the lake side parks shoreline clean and maintained.
73	Swimming Pool	Picnic Shelters	Playgrounds
74	Water park	Teen Center	Arts Center
75	Pool	Walking & biking	Dog park
76	g	v	x
77			
78	Bike Trails	Walking Trails	"Designer" park

<b>79</b>	Things that involve the youth getting outside	Walking and biking trails are HUGE	Senior center as we have a high population of seniors
<b>80</b>			
<b>81</b>	Development of existing parks by adding amenities	Better maintenance of existing parks	Investment in upgrading existing parks
<b>82</b>	Cultural center	Community garden	Dog park
<b>83</b>	Promote the lake.	More music.	More fireworks
<b>84</b>	Water Park	Pool	Playground
<b>85</b>	Swimming Pool	Playgrounds	Environmental Education Center
<b>86</b>	Keep the grass mowed	pick up after your dogs	Keep the flower beds cleaned up
<b>87</b>	Water Park	Volleyball	Dog Park
<b>88</b>	More bike trails	Kayak/canoe/stand-up paddleboarding rentals	New community/senior center-larger!
<b>89</b>			
<b>90</b>	picnic	playground	pool
<b>91</b>	adding available bathrooms to other parks	more seating - benches, picnic tables, fixed grills	keep the area cleaned up, trees trimmed, weeds gone, mowed

<b>92</b>	Not listed above- A park the school can use for teaching,plays,music, flower gardens, City history	Fix City History WPA in Central Park and Neilson Park and clean it up!	Put trails in Central Park and clean up the trail in Neilson Park-trees-benches in both -add picni
<b>93</b>	I would recommend restoring the trail system in Central Park.	I believe maintaining the golf course and pier are important tourist assets.	The swimming pool, bike trail and skating rink are important for the overall quality of life.
<b>94</b>	Walking Trails - connecting existing parks and sites	Bike Trail (promotion and prominent, convenient starting point)	Cultural Center/Community Center
<b>95</b>			
<b>96</b>	Canoe & kayak rental	Indoor basketball court	Water park
<b>97</b>	Budget for parks	Maintain the parks system	Promote the parks system
<b>98</b>	Enhanced Walking/Biking Options	Preserving the artifacts and heritage of Central Park	Introducing more arts and culture into park activities

99	School should administer all sports related facilities and activities	Park dept focus on Beautification, broad culture/art activity, health & fitness for all ages	Create new paradigm for park development, use, maintenance, administratio
100	maintain and take care of each park; repair areas that are vandalized or worn	provide for improvements based on reasonably-funded planning	encourage public use through connecting to Ortonville's cultural history (signage, programs)
