

| Sr No. | Q17. Please provide any other comments that you would like to share about the Ortonville Park System. |

| 2 | The Pier could also have awesome potential to be a greater asset if only we could find a way to keep it clear of goose droppings and keep the beach clean. |
| 3 | |
| 4 | We have a very unique area with our hills and the lake. It is a shame on Ortonville that we did not keep the WPA projects up to par. It is an insult to all who worked the WPA projects. |
| 5 | |
| 6 | |
| 7 | We have two parks in town, central and Neilson that could be so much better maintained and used more if they were cleaned up. Don't see any need for a dog park. |
| 8 | |
| 9 | |
| 10 | |
| 11 | We need to maintain existing parks before we add any new ones. It's ridiculous there aren't even garbage cans at a majority of them. That's just asking for litter. |
| 12 | We need to have a place to go, that will allow us to showcase our strengths in beauty. Unfortunately it seems there is little regard to keeping the parks up to a decent standard. |
| 13 | |
| 14 | IF THE CITY WOULD SELL HALF OF THE PARKS AND PUT THEM BACK IN THE TAX BASE THEY WOULD HAVE MORE MONEY TO MAINTAIN THE REMAINING PARKS. |

| 22 | The central Park is a beautiful park.. a walking and biking trail through it with a beautiful garden would be so cool. Drainage is a problem that needs to be addressed!!! |
| 23 | I would like to see a nice dog park. |
| 24 | |
| 25 | Just fix tennis courts and add lights |
| 26 | |
| 27 | The parks in Ortonville, we're one of the big deciding favors in our decision of choosing to move to Ortonville. |
| 28 | |
| 29 | I would love to see a dog park in Ortonville. |
| 30 | |
| 31 | Just a thought, maybe if work nights were posted on fb, paper, and radio, we could get larger groups to help clean up and beautify our parks. Take a park a week and see what happens. I am in. |
| 32 | Foot of the lake and pier beach leave a lot to be desired |
| 33 | |
| 34 | |
| 35 | Any space that is for relaxation is important- just keeping the town presentable is so very important- We have such talented artists - and it would be nice to include them and their art in the parts |
| 36 | |

| 41 | The lake is Ortonville's attraction! pier seems to be a popular spot. The beach by pier should be kept clean with sand hauled in - many times the water is clear but the bottom is mud |
| 42 | |
| 43 | |
| 44 | |
| 45 | |
| 46 | |
| 47 | |
| 48 | Provide activities (adult park, canoe/kayak, weekend concessions) to attract adults to the parks. There are enough playgrounds for children. |
| 49 | |
| 50 | |

| 52 | |
| 53 | |
| 54 | |
| 55 | |
| 56 | The City of Ortonville has too many parks. We need to invest or money and maintenance to the parks that are used the most. The lake, golf course, pool and school are our most important features. |
| 57 | The swimming pool needs upgrade to be competitive with surrounding pools |
| 58 | Lakeshore RV park has discontinued short term camping. If we want to attract tourists we need a nice place for them to stay . we should look at expanding the riverside camping |
| 59 | |
| 60 | We do not have a decent walking/running trail. The bike trail is uneven - which is bad for runners (creates injuries). We need a flat surface trail. |
| 61 | |
| 62 | |
| 63 | |
| 64 | |
| 65 | |

| 66 | |
| 67 | I do think that building a pool near foot/lakeside with improved camping and improved lakeside would draw folks to town that aren't coming currently. |
| 68 | |
| 69 | with rv hookups on the hwy 12 strege property Ortonville could potentially raise its summer population by 200 people. Great investment. Organize an annual bird watching weekend event. Arts. Arts. Arts |
| 70 | Many surrounding communities have recently updated their pools. We are losing revenue due to the fact that area families are choosing to go to other towns to use their pools. This needs to be changed! |
| 71 | |
| 72 | Ortonville needs to re-purpose or close underused parks in town rather than open new ones. |
| 73 | |
| 74 | |
| 75 | |
| 76 | |
| 77 | |
| 78 | Would be nice to have bike trail to connect to more locations and add more public art along the way. |
| 79 | |
| 80 | |
| 81 | Need more promotion of our beautiful Lake front and park system |
| 82 | Thank you for doing this! It'll help with the revitalization of this area! |
| 83 | |
| 84 | |
| 85 | |
| 86 | There should be some garden clubs to help maintain the park's flowers. The city mowing crew do a fair job of mowing. What happened to the beautiful roses on the hills along main street ? |

| 87 | |
| 88 | |
| 89 | |
| 90 | |
| 91 | Better signage on the parks, more garbage cans, running water, bathrooms. |
| 92 | Most parks in Ortonville have not been planned for families- don't have tables and play equipment in all parks. Do not care about city history or nature (trees) so many things need to be done in our |
| 93 | Thank you for soliciting comment. I think the level of parks and amenities is appropriate for Ortonville; we simply need to maintain and publicize what we have. |
| 94 | Parks are in integral part of the fabric of our community. Having a good plan to define the structure and purpose of our parks system should enhance the support and quality. |
| 95 | |
| 96 | |
| 97 | |
| 98 | |
| 99 | Challenge notions about parks administration and what parks are for. Creative restructuring the system is needed for public good, the environment, economics, and for a lot more fun. |
| 100 | The parks and the lake are what make Ortonville different and more interesting than other towns in the area! Closing any of the parks would be going in the wrong direction. |
